

Goal: Get feedback and/or recommendations about your project from a trained design expert to learn best practices and good technique.

Task: Make an appointment or drop-in during DesignLab hours to consult with a DesignLab staff member and get a proof of consultation (stamp or confirmation email) after your appointment. See reverse for more details.

Make an Appointment: <http://designlab.wisc.edu/make-an-appointment>

Your Name: _____ DesignLab Staff Name: _____

Date of DesignLab Consultation: _____ Time: _____

Course: _____ Instructor: _____

Fill this section out prior to your appointment:

Where are you at in the creation process prior to meeting with the DesignLab staff member?

(Example: I haven't started yet, but here are my ideas; I have a first draft, but need help; I am nearly done and looking for feedback)

List two or three questions that you would like to address with the DesignLab staff member:

1)

2)

3)

Fill this section out after your appointment:

What did you learn from meeting with the DesignLab staff member?

How to receive credit for a consultation:

Option 1: Collect a DesignLab stamp (on the reverse side of this form) after your appointment

*Option 2: Take a screenshot of the confirmation email you received after your appointment and upload it to this form ****using Adobe Acrobat**** Then save this file, and you may print it or upload it to Canvas per your assignment.*
